#### **Independent Auditor's Report**

Board of Directors
Pittsburgh Community
Broadcasting Corporation

We have audited the accompanying financial statements of the Pittsburgh Community Broadcasting Corporation (Corporation), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related

statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### NOTES TO FINANCIAL STATEMENTS

FISCAL YEARS ENDED JUNE 30, 2018 AND 2017

#### 1. Corporation

#### **Nature of Operations**

Pittsburgh Community Broadcasting Corporation (Corporation) is an independent, community-licensed, and member-supported public media organization, home to 90.5 WESA and 91.3 WYEP, serving Pittsburgh and the surrounding communities of Western Pennsylvania. The Corporation is a nonprofit corporation that serves more than 2 million residents of Pittsburgh and its surrounding communities every day by leveraging the power of media: by informing, inspiring and entertaining; and by engaging audiences and cultivating conversations to strengthen, enrich and improve the communities it serves.

The Corporation's mission is "to create and distribute trusted content, build connections, and strengthen our community through public media." WESA was introduced as "Pittsburgh's NPR News Station" in 2011, after the acquisition of the radio station WDUQ-FM from Duquesne University. WESA and the Corporation merged into a single corporate entity on December 31, 2015.

In addition to radio programming, both stations play an active role in engaging the community through online and mobile services and in-person events and have a prominent voice in Pittsburgh's civic and cultural affairs. Each week more than a quarter of a million Southwestern Pennsylvanians listen to the Corporation's broadcasts, and tens of thousands more engage with their content through their websites and mobile digital services.

The majority of revenues and support of the Corporation is derived from membership dues, annual grants from the Corporation for Public Broadcasting, and underwriting fees received from individuals or companies.

#### 2. Summary of Significant Accounting Policies

The accounting policies of the Corporation conform to accounting principles generally accepted in the United States of America. The following is a summary of the more significant policies:

#### NOTES TO FINANCIAL STATEMENTS

FISCAL YEARS ENDED JUNE 30, 2018 AND 2017

#### **Basis of Accounting**

The accrual basis of accounting is followed by the Corporation. Accordingly, revenues and support are recorded when earned and expenses are recognized when the liabilities are incurred.

#### **Net Asset Classes**

Resources are classified for accounting and reporting purposes into three classes of net assets (unrestricted, temporarily restricted and permanently restricted) established according to their nature and purpose. The assets, liabilities, and net assets of the Corporation are reported in net asset classes as follows:

*Unrestricted* - Used to accumulate all unrestricted and board-designated resources from operations. This class represents the part of net assets of a not-for-profit organization that is neither permanently restricted nor temporarily restricted by donor-imposed stipulations.

Temporarily Restricted - Represents a portion of the net assets of the Corporation resulting (a) from contributions and other inflows of assets whose use by the organization is limited by donor-imposed stipulations that can be fulfilled and removed by actions of the organization pursuant to those stipulations and (b) from reclassifications to (or from) other classes of net assets as a consequence of donor-imposed stipulations, and their fulfillment and removal by action of the organization pursuant to those stipulations.

Permanently Restricted - Represents net assets with a donor-imposed restriction that stipulates that resources be maintained permanently but permits the organization to use up or expend part or all of the income derived from the donated assets. As of June 30, 2018 and 2017, the Corporation has no permanently restricted net assets.

#### Revenue Recognition

Membership dues and contributions are recognized as revenues when received. A promise to give is a written or oral agreement to contribute cash or other assets to an entity. In order for the promise to be recognized in the financial statements, there must be sufficient evidence in the form of verifiable documentation that such a promise was made and that it

#### NOTES TO FINANCIAL STATEMENTS

FISCAL YEARS ENDED JUNE 30, 2018 AND 2017

is legally enforceable. Due to the fact that the Corporation's membership pledges are not supported by such documentation, they are not recognized as revenues when pledged.

Grants received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and nature of any donor restrictions. Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Non-commercial stations may recognize gifts or grants from businesses or organizations that underwrite specific programs or portions of programming as underwriting revenue. Underwriting revenue is recorded as an exchange transaction. Revenue is recognized as the underwritten programs or portions of programming is broadcasted. Deferred revenue consists of unexpended grants and unearned underwriting contributions for programs not yet broadcast as of June 30, 2018 and 2017.

#### Deferred Underwriting Revenue

Deferred underwriting revenue represents future underwriting agreed to by the seller as a portion of the purchase price of the WDUQ station. Underwriting revenue is recognized ratably over the period in which the Corporation is obligated to provide related benefits to the seller, which is estimated to be eight years. For the year ended June 30, 2018, the total deferred underwriting amount of \$608,910 is reduced by a net discount of \$37,428. For the year ended June 30, 2017, the total deferred underwriting amount of \$707,475 is reduced by a net discount of \$43,668.

#### Cash and Cash Equivalents

Cash and cash equivalents include all highly liquid investments with a maturity of three months or less when acquired. The total cash (including cash held in escrow) held by the Corporation at June 30, 2018 and 2017 includes \$1,887,194 and \$831,179, respectively, in monies that are not insured by Federal Depository Insurance. The Corporation believes it has placed these temporary cash investments with a high credit quality financial institution and does not believe it is exposed to any significant credit risk on its cash and cash equivalents.

#### NOTES TO FINANCIAL STATEMENTS

FISCAL YEARS ENDED JUNE 30, 2018 AND 2017

#### **Investments**

Investments are presented at fair value. Financial instruments, which potentially expose the Corporation to concentrations of credit risk, include cash and investments in marketable securities. Concentration of credit risk for investments in marketable securities is mitigated by the overall diversification of managed investment portfolios. Investment securities are also exposed to various other risks such as interest rate and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near-term and that such change could materially affect the amount reported on the statements of financial position.

#### Accounts and Grants Receivable

Accounts and grants receivable are reported at amounts management expects to collect on balances outstanding at year-end. Accounts and grants receivable are charged off as uncollectible when management determines the receivable will not be collected. No allowance for uncollectible accounts was deemed necessary as determined by management on the specific identification basis at June 30, 2018 and 2017. Due to the short-term nature of the expected grants receivable collections, the net realizable value is considered a reasonable estimate of the fair value.

#### **Prepaid Expenses**

Prepaid expenses represent health insurance, business insurance, workers' compensation insurance, and other expenses paid in the current fiscal year for a future fiscal year.

#### Fixed Assets, Depreciation, and Amortization

All fixed assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated fixed assets are valued at their estimated fair value on the date donated. The fixed asset capitalization threshold for the Corporation is \$5,000.

Asset depreciation and amortization, which was \$125,764 for fiscal year 2018 and \$121,801 for fiscal year 2017, is calculated using the straight-line method over the following estimated useful lives:

#### NOTES TO FINANCIAL STATEMENTS

#### FISCAL YEARS ENDED JUNE 30, 2018 AND 2017

Building	40 years
Broadcasting and transmission	
equipment	3 to 15 years
Leasehold improvements	40 years
Software	3 to 5 years
Office equipment	3 to 10 years
Furniture and fixtures	3 to 15 years

#### **License**

During fiscal year 2012, the Corporation purchased WDUQ, and assets of \$5,500,000 were recorded on the ledger. The assets represent the fair value of the radio station's license at time of purchase. Broadcast licenses are not amortized but are subject to periodic testing for impairment. In accordance with accounting principles generally accepted in the United States of America, the Corporation's management reviews the value of the license for impairment based on the presence of operating losses or other indicators. For the year ended June 30, 2018 and 2017, it was determined that there were no indicators present to require a review for impairment.

#### **Accounting Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Concentration of Risk Factors and Economic Dependency

The Corporation's main source of revenue is earned through memberships from listeners within the Allegheny County area, contributions, and grants. Total support received by the Corporation in the form of memberships, grants, and contributions was approximately 70% and 65% of total revenue for the years ended June 30, 2018 and 2017, respectively. During the years ended June 30, 2018 and 2017, 20% and 22%, respectively, of grants and contributions were provided by two contributors. Management anticipates that support will continue from Corporation contributors and grantors. In addition, its employees, underwriters, and vendors primarily reside in the Allegheny County area. Thus, economic

#### NOTES TO FINANCIAL STATEMENTS

FISCAL YEARS ENDED JUNE 30, 2018 AND 2017

and demographic influences on the Allegheny County area have a substantial impact on the Corporation's operations.

#### Pending Accounting Standards Updates

The Financial Accounting Standards Board (FASB) has issued amendments to the FASB Accounting Standards Codification that will become effective in future years as shown below. Management has not yet determined the impact of these amendments on the Corporation's financial statements:

ASU No. 2014-09, "Revenue from Contracts with Customers (Topic 606)," effective for the Corporation's financial statements for the year ending June 30, 2020. This amendment provides a single, comprehensive revenue recognition model for all contracts with customers, and contains principles to determine the measurement of revenue and timing of when it is recognized.

ASU No. 2016-02, "Leases (Topic 842)," effective for the Corporation's financial statements for the year ending June 30, 2021. This amendment will require lessees to recognize assets and liabilities on the statement of financial position for the rights and obligations created by all leases with terms of more than twelve months. Disclosures also will be required by lessees to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

ASU No. 2016-14, "Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities," is effective for the Corporation's financial statements for the year ending June 30, 2019. This amendment aims to improve how a nonprofit organization classifies its net assets and provides information in its financial statements and notes about its financial performance, cash flow, and liquidity. The amendment changes the net asset classification, requires presentation of expenses both by nature and function, requires investment return reported net of investment expenses, requires placed-in-service approach for gifts of/for long-lived assets and provides enhanced disclosures for: governing body restrictions, composition of net assets with donor restrictions, qualitative and quantitative information on liquidity, methods to allocate costs among program and support functions, and underwater donor-restricted endowment.

ASU 2018-08, "Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 958)," is effective for the financial statements for the year

#### NOTES TO FINANCIAL STATEMENTS

FISCAL YEARS ENDED JUNE 30, 2018 AND 2017

ending June 30, 2020. This amendment provides guidance for characterizing grants and similar contracts with government agencies and others as reciprocal transactions (exchanges) or nonreciprocal transactions (contributions) and distinguishing between conditional and unconditional contributions.

#### <u>Subsequent Events</u>

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

#### 3. Tax-Exempt Status

The Corporation is a not-for-profit corporation and is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as a Corporation described in Section 501(c)(3). Further, the Corporation annually files a Form 990 as applicable.

#### 4. Grants Receivable

As of June 30, the Corporation had grants receivable as follows:

	2018		 2017
Due within one year Due within one to five years	\$	391,673 300,000	\$ 190,000
	\$	691,673	\$ 190,000

Grants receivable that are expected to be collected in future years are not discounted, as discount is deemed to be immaterial to the financial statements.

#### 5. Investments

Investments consist of equities, mutual funds, and securities. The fair value of the investments as of June 30, 2018 and 2017 is \$630,471 and \$586,921, respectively.

#### NOTES TO FINANCIAL STATEMENTS

#### FISCAL YEARS ENDED JUNE 30, 2018 AND 2017

The total returns on investments and cash equivalents for the years ended June 30, 2018 and 2017 are summarized as follows:

		2018		2017	
	Uni	Unrestricted		restricted	
Interest on cash and cash equivalents	\$	64	\$	23	
Dividends on investments		39,980		15,410	
Appreciation (depreciation) of investments		(120)		48,900	
Investment income and gain recognized	\$	39,924	\$	64,333	

Earnings on temporarily restricted net assets are reflected within the unrestricted net asset class as such earnings are not determined to be themselves temporarily restricted.

Fair values of assets measured on a recurring basis as of June 30, 2018 and 2017 are as follows:

instruments, interest rates, prepayment speeds, credit risk, etc.). Fair values for Level 3 financial instruments are determined by significant unobservable inputs, including the Corporation's own assumptions in determining the fair value of financial instruments.

#### 6. Loans Payable

On November 12, 2015, the Corporation entered into a \$1,400,000 note payable to finance the purchase of WDUQ (FM) with a term of seven years. The outstanding principal balance of the loan shall bear interest at 4.25%. Interest payments are paid monthly and a principal payment of \$200,000 is due on December 1st of each year beginning on December 1, 2016.

Over the past three fiscal years, the Corporation has made principal payments in advance of the scheduled due dates. During the current fiscal year, the Corporation paid its December 2018 payment in January 2018. In fiscal year ended June 30, 2017, the Corporation paid its December 2017 payment in February 2017. Therefore, there is no current portion of long-term debt recorded for the fiscal years ended June 30, 2018 and 2017. The Note is secured by the Corporation's deposit and security accounts, accounts receivable, donor pledges, all and future incomes, and equipment and operating assets. The outstanding balance on the loan for the years ended June 30, 2018 and 2017 is \$800,000 and \$1,000,000 respectively.

As of June 30, 2018, the required principal payments on the debt by fiscal year are as follows:

Year Ended June 30,
